3 January 2025

Dear Parents/Guardian of Secondary 2 Students,

1 Welcome to a new academic year. We hope that you had the opportunity to engage in meaningful activities with your child/ward during the school holidays. Each term, you will receive a letter from the Principal which highlights key announcements and school programmes.

School Motto, Vision, Mission, and Values

School Motto

Aspire and Grow

School Vision

Being a vibrant community of learners, with the heart to value every individual and the spirit to serve and to excel.

School Mission

To develop in every Clementeen the passion to learn, the confidence to lead and the humility to serve.

School Values

Adaptability, Self-discipline, Perseverance, Integrity, Respect, Empathy (ASPIRE)

2 Our school Motto, Vision, Mission, and Values guide all that we do in CTSS and represent what we would like your child/ward (or 'Clementeen') to become by the time he/she graduates. Our desired outcomes are for all Clementeens to be anchored in the ASPIRE values; have a positive attitude towards lifelong learning; and care for one another as well as others in the community. Our Clementeens do best when we work hand in hand. Hence, I seek your support to partner with my teachers.

Sec 2 Meet-the-Parents Session (17 January 2025)

3 I warmly invite you to attend the Sec 2 Meet-the-Parents session on Friday 17 January 2025, from 6.00p.m. to 7.40p.m. in the school hall. This is part of our effort to enhance communication and partnership with you. More information regarding the Meet-the-Parents session will be put up on Parent Gateway.

4 The programme comprises Vice-Principal's and Year Head's address, Sec 2 Subject Allocation Briefing, Question & Answer, followed by breakout sessions with Sec 2 Class Parents (form teachers).

Class Parents – Caring and Growing Our Clementeens

5 As we continue to enhance our CCA-House model, strengthening students' experiences and providing greater social and emotional support for our students, your child will have the opportunity to interact with more classmates from different CCAs and two Class Parent (CP) to oversee his/her well-being and

development besides the CCAPs who will continue to exercise the duty of care for your child/ward during CCA sessions. As mentioned above, you will have the opportunity to meet your child/ward's CPs at the upcoming Secondary 2 Meet-the-Parents Session.

School Hours, Policies on Attendance and Use of Personal Electronic Devices (PED)

6 We would like to emphasise the importance of **regular school attendance**, which is strongly correlated to student engagement and achievement. If your child/ward must miss school due to medical reasons, please ensure that his/her absence is supported by a Medical Certificate (MC). For other absences from school not supported by medical reasons, please note that the school will only accept a maximum of two letters of excuse from parents/guardians, per term. A valid reason should be provided. Additionally, please ensure that if you have any holiday plans to schedule it only after school closure.

7 If your child/ward is not in school by 8.00a.m. each school day, an SMS notification will be sent to one of the parents/guardian at 8.30a.m. This is to keep you informed of your child/ward's daily attendance. Please note that only the parent/guardian listed as the "Primary Person to Contact" will be notified by SMS when your child/ward is not in school.

8 Use of personal electronic devices (PEDs) such as mobile phones and mobile game consoles are not allowed during curriculum hour. Clementeans are expected to have their mobile phones switched off or on silent mode and locked away in their allocated personal lockers before the start of the first lesson of the day. For activities outside curriculum hour such as CCA sessions, learning journeys, enrichment and academic support programmes, regulated use will be recommended by teachers. Mobile phones can only be used after curriculum hour at the PED zones – Foyer (includes in front Youth Club House), umbrella seats (in front of General Office) and the canteen. For students who do not abide by this rule, consequences may involve the confiscation of the mobile phones and parental engagement. If you need to contact your child/ward during curriculum hour, please call the school's General Office for assistance.

School Assessment Policy

9 Since 2023, the school had removed Mid-Year Examinations (MYE) for all levels in line with MOE's move to pace out teaching and learning and for students to have more space and time to develop 21st century competencies and experience greater joy in learning.

10 Students will receive feedback on their learning progress through in-class and take-home work as well as during lesson activities. Their understanding will then be assessed through a series of Weighted Assessments (WA), conducted over the course of the year before they sit for the summative assessment End-of-Year Examinations (EYE). For an overview of the Assessment Policy, please visit the webpage link [here](#). A term-specific schedule of WAs organised by week will be shared separately via the Parent Gateway (PG) notification.

Chinese New Year Celebration (28 January 2025) and Annual Donation Drive

23 The school will be organising a Chinese New Year Celebration on Tuesday 28 January 2025. Students will be dismissed at 10.30a.m. on that day. Students do not need to report to school on Wednesday 29 January and Thursday 30 January 2025 as these two dates are CNY public holidays.

24 In the midst of celebration, we remember the underprivileged in our society. In inculcating the value of empathy in our Clementeans, the Mother Tongue Language (MTL) Department is holding the annual

donation drive for St Andrew's Cathedral Home for the Aged. We seek your support to encourage your child/ward to contribute at least one item (e.g. canned food or daily necessities) by Friday 24 January 2025. Donations are voluntary. Details on the donation drive will also be posted on Parents Gateway.

Mother Tongue Language Fortnight Programme (3 February – 14 February 2025)

25 To develop students' understanding and interest towards their own culture, the MTL Department will be organising the Mother Tongue Language Fortnight Programme from 3 February to 14 February 2025. Details will be provided to students later.

Total Defence Day 2025 (17 February 2025, as 15 February is a Saturday)

26 The theme of SG60 is "Building Our Singapore Together". This builds on the Forward Singapore exercise, in which Singaporeans affirmed their commitment to a renewed social compact. SG60 celebrates our nation-building journey and reflect on our shared values of multiculturalism, boldness, resilience and openness - values that have united us and enabled our prosperity against the odds over the past 60 years. It will also be an occasion to rally our students to *Connect* and *Contribute* through acts of *Care*.

27 As part of SG60, the focus for Total Defence Day 2025 "Together We Keep Singapore Strong", will highlight Singaporean's readiness and resilience in the face of crises and challenges. To encourage our students to develop and value this resilience, we will be participating in the Food Resilience Preparedness Programme (FRPP)* 2025. This experience raises students' awareness of Ready-to-Eat (RTE) meals as an alternative form of food and their role in the event of food crises. Through the shared experience of food disruption, students will have the opportunity to listen to others' stories, reflect on their own experiences of resilience and adaptability, and cultivate the *Will to Act* in order to *Contribute* positively to their lives and the community around them.

*More information on FRPP will be shared with parents nearer the date through Parents Gateway.

Information on Sec 2 Applied Learning Programme – Mastery through Application and Research in STEM (MARS)

28 Mastery through Application and Research in STEM (MARS) aims to provide opportunities for Clementeans to nurture curiosity, develop creativity, and encourage innovation in STEM while being actively engaged in problem-solving processes. STEM learning is infused in English Language and Science lessons. Students will have timetabled ALP time to work collaboratively in groups to solve problem and generate solution. Selected students who display stronger passion in STEM will be given opportunities to deepen their learning.

Museum Based Learning Journey to National Museum of Singapore (February 2025)

29 Our Sec 2 students will be visiting the National Museum of Singapore as part of the Character and Citizenship Education (CCE) key student development experience. Students will explore artefacts and stories of the experiences of past communities in Singapore and discover fascinating stories about specific artefacts throughout Singapore's 700 years of history as they interact with the Museum Educators. Our Humanities teachers will also connect their learning from the museum with History/Social Studies lessons in school. Attendance for this Learning Journey is compulsory for all Sec 2 students, more details will be provided through parent gateway.

Recruitment of Student Leaders for Student Union 2025

30 The recruitment of Student Leaders for the Student Union 2025/2026 will take place in T1W10. The Student Union, in its four strands (CARE, EXPERIENCE, OUTREACH and VOICE), have been focusing on different facets of school and student life and allowing our student leaders to contribute to areas aligned

with their interests and expertise, enhancing their ability to positively impact the school community and environment.

31 We invite Sec 1 and Sec 2 Clementeens to express their interest in joining the Student Union, and we encourage parents to engage in conversations with their children about this opportunity. Student Leaders will also be given the opportunity to indicate their preferred strands in efforts to better optimize their potential in fostering constructive change within the school and broader community.

Sharing for Parents: Current and Emerging Youth Trends (Saturday, 8 Feb 2025)

32 As part of our ongoing efforts to support parents in understanding youth culture, the school will be conducting a parent sharing session titled "Current and Emerging Youth Trends". This session will explore topics such as vaping, the use of social media, and their potential impact on young people.

33 The sharing will take place on Saturday, 8 February 2025, from 9:00a.m. to 10:00a.m. in school. We encourage all parents of Secondary 1 and 2 students to attend this informative session. Further details will be provided on Parents Gateway.
