26 January 2022

Dear Parents/Guardian,

Update on Term 1 Week 10 School Programme for all Levels

In the Principal's Letter for Term 1 posted on 6 January, the school provided tentative information on level programmes scheduled on Term 1 Week 10 (Monday 7 March to Friday 11 March 2022). The level programmes are Self-Directed Learning days for Sec 1 and 4/5, as well as cohort camps for Sec 2 and 3.

In view of the evolving Covid-19 situation, the school has decided to modify our programmes for Sec 1 to 5 Clementeans. We are guided by considerations such as (i) safety of our students and staff in line with the prevailing safe management measures, (ii) facilitating quality learning for our students with their personal learning devices, and (iii) providing our students with meaningful activities that foster a sense of school spirit and positive peer relationships.

Please refer to the updated Term 1 Week 10 school schedule for our students as shown below. Nearing that time, parents/guardians and students will receive more specific information from the staff in charge.

About Self-Directed Learning Days (SDL Days)

SDL Days aim to provide students with more opportunities to learn at their own pace and to be empowered to take charge of their learning. Please note that your child/ward need not report to school on these days. He/She will be expected to be completing his/her online tasks and assignments via e-Learning portals. The SDL instructions will be shared with your child/ward in his/her respective Google Classroom during this period.

Thank you for your continued partnership with us.

Yours sincerely

Mdm Rasidah Rahim
Principal
